The Nature and Method of Biblical Exegesis

In this revised and expanded edition of Elements of Biblical Exegesis: A Basic Guide for Students and Ministers, Michael J. Gorman presents a straightforward approach to the complex task of biblical exegesis. Designed for students, teachers, and ministers, this hands-on guide breaks the task down into seven distinct elements. For each of these, Gorman supplies a clear explanation, practical hints, and suggested exercises to help the reader develop exegetical proficiency. The new edition addresses more fully the meaning of theological interpretation and provides updated print and internet resources for those who want to pursue further study in any aspect of exegesis. Appendixes offer three sample exegesis papers and practical guidelines for writing a research exegesis paper.
Old Testament Exegesis, Fourth Edition

Designed for both Hebrew and non-Hebrew students, A Handbook to Old Testament Exegesis offers a fresh, hands-on introduction to exegesis of the Old Testament. William P. Brown begins not with the biblical text itself but with the reader, helping students to identify their own interpretive lenses before engaging the biblical text. Brown guides the student through a wide variety of interpretive approaches, including modern methodologies—feminist, womanist, Latino/a, queer, postcolonial, disability, and ecological approaches—alongside more traditional methods. This allows students to critically reflect on themselves as bona fide interpreters. While covering a wide range of biblical passages, Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts. Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in-depth.

New Testament Interpretation

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

New Testament Exegesis

This handbook provides a one-stop-shopping guide to the New Testament exegetical method. Brief and approachable, it offers both a broad overview of the exegetical process and a step-by-step approach to studying the New Testament in depth, helping students and pastors understand the text and appropriate it responsibly. The book is chock-full of illustrations of New Testament texts where the method under discussion truly makes a difference. "A wonderfully clear and accessible handbook for New Testament exegesis. Exegetically rigorous, theologically informed, and practically useful."--Thomas R. Schreiner, Southern Baptist Theological Seminary

An Introduction to the New Testament

Nancy Vyhmeister's Quality Research Papers is fast becoming a standard reference textbook for writing research papers in the field of religion and
theology. It takes the student from the beginning assignment of a paper through the research phase to the finished paper. This second edition gives improvements and added material for such things as the expanding field of online research and doing church-related research in a professional manner. Resources for doing research are updated throughout the book.

**John (Paideia: Commentaries on the New Testament)**

The Elements of Style William Strunk concentrated on specific questions of usage—and the cultivation of good writing—with the recommendation "Make every word tell"; hence the 17th principle of composition is the simple instruction: "Omit needless words." The book was also listed as one of the 100 best and most influential books written in English since 1923 by Time in its 2011 list.

**Studies in the Gospel of Mark**

**The Elements of Style**

For years, Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis—the science and art of interpreting biblical texts properly for understanding as well as proclamation. Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart provides guidance for full exegesis as well as for a quicker approach to provide information specifically tailored to the task of preaching. A glossary of terms explains the sometimes bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

**Elements of Biblical Exegesis**

The Complete 5-Volume Set on CD-ROM . . . Now Powered by PradisWhat its internationally acclaimed cousin, the New International Dictionary of New Testament Theology, is to the New Testament, the New International
Dictionary of Old Testament Theology and Exegesis (NIDOTTE) is to the Old Testament. Drawing on the diligence and expertise of more than 200 contributors from over 100 academic institutions in 24 countries, NIDOTTE is a triumph of modern scholarship. It is indispensable for pastors, students, scholars, and anyone who wants to grasp the full riches of the Bible through a better understanding of Old Testament words and theological concepts.

No Need to Know Hebrew or Aramaic

Whether you're a specialist or not, you'll gain a nuanced understanding of words and concepts in the context of the Ancient Near East and the Old Testament. You'll also better understand their relationship to words in the New Testament. NIDOTTE features available with Pradis include:

* Guide to Old Testament Theology and Exegesis---Eleven essays supply an overview of biblical hermeneutics and interpretation and provide guidelines for using NIDOTTE in interpreting and exegeting the Old Testament.
* Lexical Dictionary---Contains over 3,000 Hebrew words with thorough information on each word.
* Topical Dictionary---Unlocks the theology of each Old Testament book and describes biblical concepts, people, places, events, and literary pieces.
* Search assistant

* Note-taking and bookmarking for book, chapter, verse, topic, or subtopic
* Customization---options for text, background colors, font, and point size

Easy-to-use Pradis interface is:

* Transparent---Sort by Hebrew/Aramaic, English, or both combined.
* User-Driven---In the footnotes, choose how you want to view the Hebrew/Aramaic text (true, full, or simple transliteration).
* Powerful---Search the dictionary for Hebrew/Aramaic words.
* Intuitive---Never lose a window! Tabbed and tiled window panes keep all your resources in view.
* Flexible---Many features are easy to use because they're designed like programs you frequently use. For example, navigate by using a context tree or the 'go to' dialog box. Expand the scope and speed of your Bible studies even more!

NIDOTTE 5.1 for Windows is powered by Pradis, the most powerful software available for Bible study. It's fully compatible with any edition of Zondervan's Bible Study Library as well as the New International Dictionary of New Testament Theology and the Expositor's Bible Commentary. Choose the right edition for you. For the latest information and program updates, regularly visit www.zondervan.com/interactive.

System Requirements

- Pentium 166 MHz or higher processor
- Windows 98, 2000, ME, XP or Windows NT 4.0 (Service Pack 6)
- 64 MB RAM
- 20 MB hard disk space minimum
- CD-ROM drive
- Windows-compatible pointer device
- Windows-compatible printer

**New Testament Commentary Survey**
This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling Commentary on the New Testament Use of the Old Testament, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and categories necessary for them to do their own exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E. Ciampa, Gordon-Conwell Theological Seminary

A Handbook to the Exegesis of the New Testament

For years, Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis—the science and art of interpreting biblical texts properly for understanding as well as proclamation. This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process. Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching. A glossary of terms explains the sometimes-bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

Elements of Biblical Exegesis

This publication outlines the material preserved in the ancient Jewish cemeteries in the Land of Israel and provides a comprehensive and instructive study of Jewish funerary customs, practices, and rituals relating to death, burial and mourning, as well as addressing the meaning of Jewish funerary art and tradition.

Jewish Funerary Customs, Practices And Rites In The
**Second Temple Period**

Let’s face it. Just the word exegesis puts some of us on edge. We are excited about learning to interpret the Bible, but the thought of exegetical method evokes a chill. Some textbooks on exegesis do nothing to overcome these apprehensions. The language is dense. The concepts are hard. And the expectations are way too high. However, the skills that we need to learn are ones that a minister of the gospel will use every week. Exegesis provides the process for listening, for hearing the biblical text as if you were an ordinary intelligent person listening to a letter from Paul or a Gospel of Mark in first-century Corinth or Ephesus or Antioch. This book by Richard Erickson will help you learn this skill. Thoroughly accessible to students, it clearly introduces the essential methods of interpreting the New Testament, giving students a solid grasp of basic skills while encouraging practice and holding out manageable goals and expectations. Numerous helps and illustrations clarify, summarize and illuminate the principles. And a wealth of exercises tied to each chapter are available on the web. This is a book distinguished not so much by what it covers as by how: it removes the “fear factor” of exegesis. There are many guides to New Testament exegesis, but this one is the most accessible--and fun!

**New Testament Exegesis, Third Edition**

The discovery of the Dead Sea Scrolls, the Nag Hammadi texts, and new Targums has left biblical scholars increasingly interested in the relationship between the New Testament and first-century Judaism. This critically acclaimed study by Richard Longenecker sheds fresh light on this relationship by exploring the methods the earliest Christians used to interpret the Old Testament. By comparing the first Christian writings with Jewish documents from the same period, Longenecker helps to discern some of the key differences between Christianity and Judaism. This second edition of Biblical Exegesis in the Apostolic Period brings Longenecker’s valued work up to date with current research in this important field of study.

**Revelation**

'Excellent, practical, and accurate. It leads students from the most fundamental building blocks of interpretation (including skills that most beginning students lack) through all the essential processes.' ---Craig S. Keener, Professor of New Testament, Eastern Seminary Just as a rock
climber's handhold enables him to master the mountain, a firm grasp on God's Word empowers us to traverse the challenging, risky slopes of life. This workbook is designed for use with the textbook Grasping God's Word. While the textbook shows you the principles and tools of interpretation, the workbook lets you try them out by applying them to specific genres and contexts. Together, these books will help you get a grip on the solid rock of Scripture---how to read it, how to interpret it, and how to apply it. Features include: * Proven in classrooms across the country * Emphasis on real-life application * Supplemented by a website for professors providing extensive teaching materials * Updates corresponding to the second edition of the textbook, including new exercises Grasping God's Word progresses through the following five sections: 1. How to Read the Book---Basic Tools 2. Contexts---Now and Then 3. Meaning and Application 4. The Interpretive Journey---New Testament 5. The Interpretive Journey---Old Testament

New International Dictionary of Old Testament Theology and Exegesis 5.1 for Windows

Biblical Exegesis of New Testament Greek: James is a workbook designed to guide the beginning- to intermediate-Greek student through the process of biblical exegesis of the text of James. The workbook leads the student through a comprehensive process of grammar review, translation, exegesis, and application of the Greek text. It is based on a deductive pedagogy for learning Greek but follows an inductive approach to grammar review. Students review grammatical, morphological, and syntactical issues arising in the text of James. The inductive grammar review references Gerald L. Stevens's New Testament Greek Primer as a companion grammar. Analysis of syntactical and exegetical information is presented from major lexicons, critical commentaries, and Greek grammars. Detailed footnotes conveniently present this valuable material. Key questions probe crucial exegetical and theological issues. Special vocabulary aids minimize lexical work, enabling students to focus on exegesis. An optional textual-criticism section is offered for intermediate students. Each lesson concludes with a practical application for ministry. Students are required to phrase a portion of the Greek text. They then construct a sermon or teaching outline based upon the phrasing exercise. Upon completing this book, students will have fifteen biblically based outlines from the Greek text for preaching or teaching purposes. Biblical Exegesis of New Testament Greek: James encourages students and pastors to sharpen their Greek skills and to use their Greek New Testaments in ministry . . . from translation to proclamation.
Interpreting the Pauline Letters

The New Testament's messianic interpretation of the Old is an important key to its theology. This book examines the way the author of the Gospel of Mark uses the Old Testament to convey the identity of Jesus.

Old Testament Exegesis, Fifth Edition

Provides pastors and students with expert guidance on choosing a commentary for any book of the Old Testament.

Sample Exegesis Paper

This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.

In this careful reconstruction of the prophet Jeremiah’s life and work, Professor Holladay attempts to sort out Jeremiah’s utterances chronologically and to hear them as closely as possible within the context of the events of their time. Jeremiah is a model for us to understand the prophets of the Old Testament. But more than that, he alone of the prophets saw his relationship with God as a problem to be grappled with rather than an obligation to be taken for granted. His willingness to question and to doubt was unique and, Holladay suggests, may put him more in step with our time than his own. For while many of us are willing to undertake a life of faith lived under God’s guidance, few of us do not at some point question God’s ways.
Quality Research Papers

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Old Testament Exegesis

The Cambridge Companion to Jesus

These eighteen pieces have been commissioned to provide a succinct yet comprehensive guide to the best of recent evangelical thinking about how the New Testament is to be interpreted, so that it may speak most clearly to today's world. The need for such a handbook can be felt more keenly as on the one side a secularized world dismisses the biblical faith as outmoded, unworkable, and unsatisfying; and, on the other, numerous Christian communities, committed to taking that faith with ultimate seriousness, are driven by controversies about how to read and understand the Bible. Following the editor's introduction, in which I. Howard Marshall examines a familiar New Testament passage in order to exemplify the problems and rewards that await the careful interpreter, the essays are arranged under four headings, beginning with overviews of the history of New Testament study and the role of the interpreter's presuppositions in this enterprise; then going on to discuss the various critical tools, the methods of exegesis, and the application of the New Testament to the faith and life of the contemporary reader. An annotated bibliography concludes the presentation. Because the issues involved here have too often been ignored in many quarters, more than one approach to or opinion about a given matter may surface in these essays; yet, undergirding this diversity is the author's shared conviction, as conservative evangelicals with a high regard for the authority of Holy Scripture, that we are called upon to study the Bible with the full use of our minds. As the editor writes, The passages which we interpret must be the means through which God speaks to men and women today. Our belief in the inspiration of the Bible is thus a testimony that New Testament exegesis is not just a problem; it is a real possibility. God can and does speak to men through even the most ignorant of expositors of his Word. At the same time he calls us on to devote ourselves to his Word and
use every resource to make its message the more clear.

**A Beginner’s Guide to New Testament Exegesis**

**The Way of the Lord**

The third edition of this handbook provides a step-by-step guide to writing an exegetical paper on the New Testament. It takes into account the latest advances in methodology as well as resources. 10 illustrations.

**A Defense for the Chronological Order of Luke’s Gospel**

**Grasping God’s Word**

This handbook provides a substantial theoretical and practical guide to the multi-faceted discipline of exegesis of the New Testament. It offers succinct and well-informed essays, with plenty of bibliography, written by experts in their respective fields. The handbook will serve well as a textbook, as well as a reference book to the major tools and topics in the area. This publication has also been published in paperback, please click here for details.

**A Handbook of New Testament Exegesis**
Concise and accessible, this one-volume edition of the New Collegeville Bible Commentary: Old Testament draws together the individual contributions to the Old Testament series and offers them to readers in a convenient and attractive format. Written by an array of respected scholars, the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants, teachers, students, preachers, and all readers of Scripture. A first-rate, reliable resource for Bible study and reflection, the New Collegeville Bible Commentary: Old Testament answers the Second Vatican Council's call to make access to Scripture “open wide to the Christian faithful.”

**Commentary on the New Testament Use of the Old Testament**

This Companion offers an integrated introduction to the study of Jesus.

**Statutes and Ordinances of the University of Cambridge 2015**

In this completely updated revision of an extremely successful book, Stuart provides a step-by-step guide to writing an exegetical paper on the Old Testament. This book takes into account the latest advances in methodology as well as resources. Illustrations.

**Biblical Exegesis of New Testament Greek: James**

In this addition to the well-received Paideia series, Jo-Ann Brant examines cultural context and theological meaning in John. Paideia commentaries explore how New Testament texts form Christian readers by • attending to the ancient narrative and rhetorical strategies the text employs • showing how the text shapes theological convictions and moral habits • commenting on the final, canonical form of each New Testament book • focusing on the cultural, literary, and theological settings of the text • making judicious use of maps, photos, and sidebars in a reader-friendly format. This commentary, like each in the projected eighteen-volume series, proceeds by sense units rather than word-by-word or verse-by-verse.

**Selected Studies in Old Testament Exegesis**
World-renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis. This third edition of Gorman’s widely used and trusted textbook (over 60,000 copies sold) has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade. The new edition explains recent developments in theological interpretation and explores missional and non-Western readings of the biblical text. Adaptable for students in various settings, it includes clear explanations, practical hints, suggested exercises, and sample papers.

**Desiring God**

Building on the belief that the task of exegesis is to understand the divine-human intention locked within the biblical text, Gordon Fee provides a lucid step-by-step analysis of exegetical procedures that has made New Testament Exegesis a standard textbook for nearly two decades. Now more than ever, with an updated, newly integrated bibliography and an appendix directly addressing reader-response criticism, this essential, classic guide will assist students, scholars, and clergy in coming to grips with the New Testament.

**Biblical Exegesis in the Apostolic Period**

**Old Testament Commentary Survey**

**Jeremiah**

Highly respected New Testament scholar D. A. Carson provides students and pastors with expert guidance on choosing a commentary for any book of the New Testament. The seventh edition has been updated to assess the most recently published commentaries. Carson examines sets, one-volume commentaries, and New Testament introductions and theologies, offering evaluative comments on the available offerings for each New Testament book. This is an essential guide to building a reference library.

**New Collegeville Bible Commentary: Old Testament**
The third edition of this handbook provides a step-by-step guide to writing an exegetical paper on the New Testament. It takes into account the latest advances in methodology as well as resources. 10 illustrations.

New Testament Exegesis and Research

The official Statutes and Ordinances of the University of Cambridge.

New Testament Exegesis

Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. Contributors Craig L. Blomberg (Denver Seminary) on Matthew Rikk E. Watts (Regent College) on Mark David W. Pao (Trinity Evangelical Divinity School) and Eckhard J. Schnabel (Trinity Evangelical Divinity School) on Luke Andreas J. Köstenberger (Southeastern Baptist Theological Seminary) on John I. Howard Marshall (University of Aberdeen) on Acts Mark A. Seifrid (Southern Baptist Theological Seminary) on Romans Roy E. Ciampa (Gordon-Conwell Theological Seminary) and Brian S. Rosner (Moore Theological College) on 1 Corinthians Peter Balla (Károli Gáspár Reformed University, Budapest) on 2 Corinthians Moisés Silva (author of Philippians in the Baker Exegetical Commentary on the New Testament) on Galatians and Philippians Frank S. Thielman (Beeson Divinity School) on Ephesians G. K. Beale (Wheaton College Graduate School) on Colossians Jeffrey A. D. Weima (Calvin Theological Seminary) on 1 and 2 Thessalonians Philip H. Towner (United Bible Societies) on 1 and 2 Timothy and Titus George H. Guthrie (Union University) on Hebrews D. A. Carson (Trinity Evangelical Divinity School) on the General Epistles G. K. A Handbook to Old Testament Exegesis

Page 13/14
This book contains twenty-four studies of the late Professor de Boer, the well-known Old Testamentarian of Leiden University. Seven were originally published in Dutch and now appear in an English translation, while two of the articles are in German and two in French. One is a posthumous publication. The articles cover a wide-ranging field, from the interpretation of an inscription from So ar to an exposition of Job xlii 6, and from a dissertation on kingship in Ancient Israel to the exegesis of one Hebrew psalm line.
