'The Lost Journal of Indiana Jones' is filled with sketches, notes and jottings in the great man's own hand, accompanied by rare archive photos and much material never published before. The journal records the artefacts and discoveries, the folklore and characters, as well as the many narrow escapes and daring escapades 'Indy' encountered on each of his globetrotting travels. ...

12/06/2021 · Indiana Jones is an institution. The hat. The grin. The John Williams score. The movies are a spectacle—packed with adventure, humor, and some questionable ancient history. Forty years ago, on June 12, 1981, Indy hit theaters for the first time in Raiders of the Lost Ark. If the boulder chase in the opening sequence didn't get you, Indy's fear of snakes sure did. (He ...
